Our tribal contact list has the federally recognized tribes for Bristol Bay and Lake Iliamna, I count 31. So, unless you know where #32 is I say we get Marianne to change all of the talking points to 31 tribal governments. I prefer we are accurate but I am not sure where she got the original number for the communication plan and talking points.

I always use this map from the BBNC web site. I count 30 hear. But five of them are not on Bristol Bay. They are on the Pacific side of the Alaska Peninsula.
